Work Experience

Painter

Goyard, New York, NY April 2024 - Present

- Hand paint (marquage) standard and complex designs on products (SLG's, bags, trunk, etc.) according to client's order/specifications
- Measure each product for correct placement of client's desired marquage
- Design custom marquages for clients using Adobe Illustrator and Photoshop, to be painted upon client's approval
- Create stencils using Summa to be cut on a hexis plotter machine
- Mix paint for painting & retouching; clean mixing station materials, refill chemicals; hardner, diluent, alcohol, acetone
- Remove marquage for repairs when/if necessary
- Complete weekly assigned batches in a timely manner
- Consistently exceed threshold of products to be completed, attaining top tier monthly bonus
- Review emails from client services for any changes or concern regarding placement or sizing of marquage on client's product
- Selected to paint pre-marquage on products to be displayed on sales floor in Goyard USA boutiques and Bergdorf Goodman

Art Instructor (Part Time)

A Very Special Place, Inc., Staten Island, NY March 2024 - Present

- Conduct art classes in evening recreational program for adults with intellectual/developmental disabilities
- Create lesson plans, art projects, and demonstrate the usage of different art mediums
- Curate and organize annual art show for the program
